GOALS/ SERVICES CHARTER

Inform and support through information and guidance to students and alumni for access to the European labour market.

To support teachers of Departments of Training and Employment Guidance (FOL) and Business and Entrepreneurship (EIE) subjects.

Implement actions to motivate students to entrepreneurial culture.

Advise young entrepreneurs who wish to be routed to self-employment.

Approach the educational community of La Salle Los Corrales de Buelna to European educational programs such as Erasmus +.

Increase communication bridges between the school and the business world.

Expanding horizons to the people of Buelna Valley beyond their closest geographical boundaries to other European regions.

A challenging information Centre.

Colegio San Juan Bautista management team and the teachers involved promoted this innovative element that has become part of their services thank to the support of EC in the frame of Erasmus + program.

An opportunity that our membership in the European Union brings by using the new technologies in a connected world.

Steps to success

The implementation of the strategy for the promotion and dissemination and proper planning of the actions foreseen under the InfoPoint, along with commitment and motivation of teachers who coordinates the InfoPoint, with the support of the Centre's management and teaching community ensure its success and sustainability, while maintaining the quality of service and the same European vision.

In this sense, STEPS project and its InfoPoint never end and is the seed of new future actions.
